

POWERGRID organized Medical camp in UT of J&K at 132/33 kV GIS Khanyar Sub-station.

POWERGRID organized a blood donation camp and free eye testing camp in UT of J&K at 132/33 kV GIS Khanyar (Baghi Ali Mardhan Khan) Sub-station on 2nd April 2022. The camp was organized as a part of Azadi ka Amrit Mahotsav celebrations. On the request of POWERGRID, Medical Superintendent JLNM, Rainawari Hospital deputed a team of doctors and paramedic staff for this camp. The eye testing facility attracted lot of

people. More than 100 free spectacles were provided in this eye testing camp to the needy patients. Senior officers from POWERGRID, Health department J&K were among the dignitaries present in the camp. A large number of local people were benefitted from this camp. The beneficiaries and the local authorities thanked POWERGRID for organizing the camp.

POWERGRID presently has 265 Sub-stations and 172,437 Ckm and 474,457 MVA of transformation capacity. With the adoption of latest technological tools and techniques, enhanced use of automation and digital solutions, POWERGRID has been able to maintain average transmission system availability >99%.
