POWERGRID Khetri Transmission System Ltd ……PETITIONER

AND

Central Transmission Utility of India Limited

And others ..…….....RESPONDENT(S)

PETITION

I. BACKGROUND

1. Brief background of the Petitioner

The Petitioner, i.e., **POWERGRID Khetri Transmission System Ltd** ("PKTSL"/"**Petitioner**") is a company incorporated on 20.11.2024 under the Companies Act, 2013 as a Special Purpose Vehicle (SPV) under the TBCB framework for implementation of Inter-State transmission system scheme - "**Transmission system associated with LTA applications from Rajasthan SEZ Part-C**" under Tariff Based Competitive Bidding under Section 63 of the Act on a Build, Own, Operate and Maintain ("**BOOM**") basis. The SPV (erstwhile known as Khetri Transco Limited) was incorporated by REC Power Development and Consultancy Limited and, upon completion of the Tariff Based Competitive Bidding process, its entire shareholding was transferred on **30.08.2019** to Power Grid Corporation of India Limited (POWERGRID), the Successful Bidder. The name of the Petitioner was subsequently changed to POWERGRID Khetri Transmission System Ltd (PKTSL) and it is presently a wholly owned subsidiary of POWERGRID.

2. Brief background of the Respondent(s)

a) Respondent No. 1, Central Transmission Utility of India Limited ("**CTUIL**"), is a Government Company and has been notified by the Ministry of Power, Government

of India, vide Gazette Notification dated 09.03.2021 as the Central Transmission Utility ("CTU") under Section 38 of the Electricity Act, 2003. CTUIL is responsible for discharging all functions of the CTU, including undertaking transmission of electricity through the inter-State transmission system, and planning and coordination relating to such system, as specified under the Act.

b) Respondent Nos. 2 to 17 are the DICs and beneficiaries of Northern Region.

3. Proof of service

It is submitted that a copy of the complete petition along with annexures has been served electronically upon the Respondents and proof of such service is enclosed with petition.

4. Status of the Petitioner

The Petitioner is a company incorporated under the Companies Act, 2013 and is a 100% wholly owned subsidiary of POWERGRID.

5. Important events/ clearances relevant to the assets under consideration

The important events/clearances relevant to the assets under consideration in the petition are tabulated below :-

Date	Event / Milestone
15.10.2026	CTUIL vide OM dated 15.10.2026 awarded the Transmission Sysytem namely "Implementation of Dynamic Line Rating (DLR) system" project to POWERGRID Khetri Transmission System Ltd

6. Proof of Eligibility and jurisdiction

a. The Petitioner was incorporated by RECPDCL as the SPV for the purpose of implementation of the Project under Tariff Based Competitive Bidding (TBCB) and POWERGRID emerged as the successful bidder to acquire 100% equity shareholding of the Petitioner pursuant to the competitive bidding process for the Project under section 63 of the Electricity Act. Thereafter, the Petitioner was granted a transmission licence under Sections 14 and 15 of the Act.

b. Subsequently, the Petitioner has been assigned the Transmission Project "**Implementation of Dynamic Line Rating (DLR) system***"* ("**the Project**") by CTUIL under RTM mode, for which a separate transmission license is being sought.

c. Section 14 & 15 of the Act contemplates that a transmission licence shall be granted to any person who is duly authorised to establish, operate and maintain a transmission

system. In the present case, CTUIL, being the authorised agency for planning and allocation of inter-State transmission schemes, allocated the subject project to the Petitioner for implementation under the Regulated Tariff Mechanism. Accordingly, the Petitioner is eligible to seek grant of a separate transmission licence for the subject RTM scheme under Regulation 4(1)(b) of the Transmission Licence Regulations, 2024.

The Project, being part of Inter-State transmission network, squarely falls within the territorial and subject matter jurisdiction of this Hon'ble Commission.
