Growing Bigger

About 40% disbursements came from tier-1 cities
Avg ticket size at around ₹34 L crore
Bank has waived off processing fees until March 31, 2022
SBI's market share in home loans stood at 35.62% in Dec qtr
It posted 11.15% YoY growth in outstanding home loans at ₹5.38 L cr

Mumbai: State Bank of India has disbursed a record about ₹1.12 lakh crore loans to individual home buyers until January end this financial year as demand for homes in hinterland surged, helping it become one of the fastest growing mortgage companies even ahead of specialist lenders.

This is an estimated 20% growth over the corresponding period last year 2020-21. Expanding home loans, which actually gathered pace after the second wave of Covid-19 infection in June last year, have now surpassed the pre-covid level, two people familiar with the matter told ET.

SBI did not respond to ET's query. About 40 percent of such disbursements came from tier-1 cities while the rest has come from other cities and towns. The average ticket size of such loans is said to beat Rs34 lakh crore.

Cities including Mumbai, Hyderabad, Kolkata, Chennai, Ahmedabad, Bangalore and Pune have a fair share of the disbursements.

"Majority of this year's record disbursement took place between July and now as the infection virulence has been gradually losing and helping to bring back business normalcy," said one of the persons cited above.

SC to Hear Amazon's Future Plea on Feb 23

Our Bureau

New Delhi The Supreme Court said on Wednesday that it will hear on February 23 Amazon's plea challenging a Delhi High Court order that had stopped a Singapore arbitration process between the US e-commerce firm and Future Group.

A bench of chief justice NV Ramana

and justices AS Bopanna and Hima Kohli scheduled the hearing later this month and also issued notices to Future Group companies including Future Retail and Future Coupons.

In January, a divisional bench of the Delhi High Court had stayed the proceedings in the Singapore International Arbitration Centre (SIAC). Last week, Amazon filed a petition challenging the high court order.

In January, the SIAC was in the final leg of its hearings in a dispute between Amazon and Future Group when the Delhi court stalled its proceedings.

The SIAC had in October 2020, through an interim order, stayed the proposed Future Group's plans to sell its assets to Reliance Retail after Amazon approached the arbitration centre opposing the deal.

Alliance Air's ATR Flight Flies Without Engine Cover; DGCA Launches Probe

New Delhi: An Alliance Air ATR72-600 aircraft with around 70 people on board flew from Mumbai to Bhuj on Wednesday without the covering of one of its engines. Shortly after the plane took off from Mumbai at around 6.30am, the airport's air traffic control reported that the aircraft's engine cowl was found on the side of the runway. The aircraft continued its flight and landed safely at

Bhuj. The incident is being investigated by aviation regulator DGCA. "The separation of engine cowling may have an aerodynamic effect leading to marginal aircraft performance deterioration. Engine components exposed to airflow may have been impacted. However, in the present case, the aircraft has landed safely at destination," a government official said.—Our Bureau
