(Satyaprakash Dash)
Company Secretary &
Compliance Officer

Encl.: As above

Annexure-A

Details as required under Regulation 30, read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated 11th November, 2024.

S. No.	Name of Senior Management Personnel	Reason for Change	Date of appointment	Terms of appointment	Brief Profile
1	Sanjay Sharma	Promoted as Executive Director (ED) (i.e. Senior Management Personnel - One level below the Board of Directors).	25 th January, 2026	Terms and conditions of appointment shall be as per Service Rules of POWERGRID	Shri Sanjay Sharma, CEO (POWERTEL) , is a senior executive with over 30 years of experience across Telecom marketing, Commercial, Corporate planning and Asset Monetization. He is an Electrical Engineering graduate from Govind Ballab Pant University, Nainital with stellar academic credentials. He has played pivotal role in POWERGRID achieving the Asset Monetization target and strengthened the position of POWERTEL among Internet Service Providers by offering better digital infrastructure and enterprise connectivity solutions across the country. He is currently posted on secondment basis in POWERTEL and hold the post of Chief Executive Officer.
2	Abhay Kumar				Shri Abhay Kumar, Executive Director (Engineering-S/s/TL/Civil/CE) , an electrical engineering graduate having more than three decades of experience in substation engineering, asset management and international consultancy. His overseas experience in Dubai strengthened his global technical exposure. A senior leader in engineering functions, Shri Kumar is contributing towards elevating POWERGRID's substation and transmission line design, reliability and strategic planning. He is currently posted as Executive Director in Engg.-S/s/TL/Civil/CE department.

Annexure-A

Details as required under Regulation 30, read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated 11th November, 2024.

3	Abhinav Verma			Shri Abhinav Verma, Executive Director (Rajasthan Projects), brings over three decades of experience in Engineering, Construction, Project Management, Asset Management, HVDC Technology and Corporate Planning functions. An electrical engineering graduate with PGDM degree from IIM Rohtak, has served extensively across various parts of the country. Shri Verma is currently looking after transmission projects in the state of Rajasthan which are critical for evacuation of RE and meeting the Sustainability Development Goals of the country. He is currently posted as Executive Director (Rajasthan Project).
4	Vineeta Agarwal	Promoted as Executive Director (ED) (i.e. Senior Management Personnel - One level below the Board of Directors).	25 th January, 2026	Smt. Vineeta Agarwal, CEO (PESL), is an accomplished power sector professional, who has started her career in the year 1990 as Engineer from NTPC and subsequently absorbed in POWERGRID. She is having more than three decades of experience in DMS, Smart Grid, ULDC, Grid Management, and Distribution Management System. An Electrical Engineering graduate from Devi Ahilya University, she has been instrumental in driving digital transformation, operational excellence, and large-scale smart metering initiatives. She is currently posted on secondment basis in PESL as CEO and looking for avenues in emerging business area such as Energy Management, Transmission & Distribution business, Electric Vehicle charging infrastructure, Energy Storage, Smart Grid etc.

Annexure-A

Details as required under Regulation 30, read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated 11th November, 2024.

5	M S Hejib				Shri M S Hejib, Executive Director (SR-II), brings over three decades of technical and managerial experience to POWERGRID. A BE (Electrical) graduate from Jiwaji University, Gwalior has served extensively across Southern and Northern regions, contributing in the area of ERP & IT, substation maintenance, and TBCB project execution. Beginning his career in NTPC before absorption in POWERGRID in 1991, Shri Hejib has played a pivotal role in advancing digital systems and strengthening operational frameworks across diverse locations. He is currently posted as Executive Director(SR-II).
6	Akhilesh Kumar Dixit	Promoted as Executive Director (ED) (i.e. Senior Management Personnel - One level below the Board of Directors).	25 th January, 2026	Terms and conditions of appointment shall be as per Service Rules of POWERGRID	Shri Akhilesh Kumar Dixit, Chief Executive Officer (EESL), has over 30 years of extensive experience in substation construction and maintenance, contracts, Business development & Joint Ventures, and project management. An Electrical Engineering graduate from Gorakhpur University with PG Diploma in Finance Management from MDI Gurgaon, has played significant role in execution of Renewable Energy transmission project such as Fatehgarh-II. A seasoned leader, Shri Dixit has contributed significantly to organizational governance, project implementation and strategic development areas. He is currently on deputation to Energy Efficiency Services Limited (EESL) and holds the post of Chief Executive Officer.
7	Kumud Wadhwa				Smt. Kumud Wadhwa, Executive Director (ERP & IT), brings more than three decades of enriched experience in IT, LD&C, PESM, and NPMU operations. A graduate in Electrical Engineering with PGDM in Business Management from MDI Gurgaon, started her career in the year 1989 as EET from NTPC and subsequently absorbed in POWERGRID. She has played pivotal roles in digital transformation, enterprise IT modernization and Smart Grid initiatives. Her leadership in ERP, National Smart Grid Mission and IT operations has enabled strategic technology upgrades and
