(WITHOUT PREJUDICE)

Ref : CTUIL/ROP-Manipur/2021/2

Dt.: 12.10.2021

To
The Managing Director,
Manipur State Power Distribution Corporation Ltd (MSPDCL),
Keishampat, Imphal West,
Imphal - 795001

Dear Sir,

Sub: "Notice for Regulation of Power Supply" for default of Manipur State Power Distribution Corporation Ltd (MSPDCL) in making payment of outstanding dues.

1. MSPDCL is a designated Inter-State Transmission System customer (DIC) who is availing Inter-state Transmission System (ISTS) network for transfer of power from various power plants located in different parts of the country to MSPDCL and is under obligations to make timely payment of transmission tariff and to open requisite Letter of Credit towards Payment Security Mechanism in line with the Electricity Act 2003 read with the relevant contractual provisions and CERC Regulations.
2. It is, however, a matter of serious concern that MSPDCL is consistently failing to make full payment against the monthly bills raised on it towards transmission tariff despite regular follow-up by CTU. As a consequence, total dues of MSPDCL have grown to a huge amount of **Rs.29.83Cr** as on date, out of which an amount of Rs. 15.23 Crs is outstanding for >45 days (an amount of Rs. 9.23 Crs has even crossed >90 days), based on the bills already raised by CTU. The outstanding dues >45 days will further grow to Rs. 22.27 Crs on 16.10.2021.
3. CTU has been mandated with the responsibility of Billing, Collection and Disbursement of transmission charges towards ISTS licensees from all the DICs. Such huge outstanding dues as brought out above is quite alarming and is causing impact to fulfil our obligation towards all the ISTS Licensees.
4. Regulation 4 of CERC (Regulation of Power Supply), 2010 & amendment thereof reads as under:-
"In case of outstanding dues or in case the letter of credit or any other agreed Payment Security Mechanism is not maintained as per the Agreement or applicable Regulations, the generating Company or the transmission licensee, as the case may be, may serve a notice for regulation of power supply, on the Defaulting Entity, for reducing the drawl schedule in the case of the generating company or withdrawal of open access / access to Inter-State Transmission System in the case of the transmission licensee."
5. In this regard, attention is invited to the correspondence issued by the CTU, which demonstrates the default of MSPDCL in payment of legitimate dues. As per the provisions of **Regulation 4 of CERC (Regulation of Power Supply) Regulation 2010 and amendment thereof, provisions of BCD procedure** and terms of TSA, the CTU is constrained to issue this "Notice for Regulation of Power Supply".

6. Accordingly, in case of failure of MSPDCL to clear the total outstanding dues >45 days latest by **21.10.2021**, the regulation of power supply of MSPDCL through their Long Term Access shall be effected as follows:-

• Quantum of power to be regulated	:	20 MW of power drawl of MSPDCL from ISTS network
• Commencement of Regulation of supply	:	From 00.00 Hrs of 27.10.2021 .
• Period of Regulation of Power supply	:	Initially for two months or till clearing of the dues outstanding for >45 days
• Source of regulation of Power Supply	:	To be regulated from various Power plants of NEEPCO, NHPC & NTPC from which MSPDCL has allocation of power under Long Term Access, the quantum shall be in proportion of the allocation from NEEPCO, NHPC & NTPC may be decided by NERLDC based on merit order of despatch.
<ul style="list-style-type: none"> • The regulation of power shall be carried out through North Eastern Regional Transmission Corridor. • All other liabilities of MSPDCL shall be as per provisions of CERC Regulations 		

7. Further, CERC vide Order dtd 02.09.2015 under Pet. no. 142/MP/2012 at Para 59 (c) mentioned on curtailment of Short Term Open Access (STOA) during the regulation of power supply. The relevant portion of the said CERC Order dtd 02.09.2015 is reproduced below:-

"During the period of regulation of power supply, for defaults in payment of transmission charges, STOA to the regulated entity shall be denied by NLDC/RLDCs under Regulation 25A of Open Access Regulations from the date of commencement of regulation of power supply."

8. Through a copy of this Notice, NERLDC is being requested to prepare implementation plan for Regulation of Power Supply of MSPDCL & implement the same **w.e.f. 00:00 Hrs. of 27.10.2021** upon confirmation by us **on 22.10.2021**.
9. In view of above, it is requested to liquidate all the outstanding dues >45 days **by 21.10.2021** failing which regulation of power supply shall be enforced as stipulated above.

Thanking You,

Yours faithfully,

(J. Mazumder)

(Chief General Manager)

For and on behalf of
Central Transmission Utility of India.

CC ::

Executive Director,
North Eastern Regional Load
Dispatch Centre,
Power System Operation Corpor-
ation Limited (POSOCO)
POWERGRID Complex, Lower
Nongrah, Lapalang, P.O : Rynjah
Shillong-793006 (Meghalaya)

With a request to prepare the implementation plan for Regulation of power supply of MSPDCL and implement the same as per CERC Regulation, 2010 and amendment thereof. *The proposed regulation of power supply from various power plants of NEEPCO, NHPC & NTPC from which MSPDCL has allocation of power under Long Term Access, the quantum shall be in proportion of the allocation from NTPC, NHPC & NEEPCO may be decided by NERLDC based on the merit order of despatch.* Indemnification bond furnished earlier holds good for subject Regulation of power of MSPDCL.

Executive Director (Comml.),
NTPC Ltd, Core 7,
Scope Complex, Lodhi Road,
