POWERGRID'S INITIATIVES FOR COVID 19 CARE

Gurugram, 13.05.2021

Power Grid Corporation of India Limited (POWERGRID), a 'Maharatna' Company under Ministry of Power, Government of India has actively taken up various initiatives for extending timely help to its employees including contractual labourers in all its offices across the country. POWERGRID is organising Vaccination camps across all its establishments. New Isolation centers have been set up and capacity of those created in 2020 has been increased. Isolation centers are all equipped with medicines, oxygen cylinders, resident doctor, nurses, arrangement of test labs, ambulance service and free meals. Dedicated teams have been constituted by the Human Resource Departments across the regions for helping those affected and their families. Specialised centralized helpline numbers created for assisting affected employees are being disseminated by the Corporate Communications Department. Besides this the common masses are being sensitized about COVID 19 protocol and behaviour through creative videos, templates and other motivational creations. These are helping in making both the employees and the masses aware and informing them about it.
