VACCINATION DRIVES BY POWERGRID

Gurugram, 18.05.2021

COVID-19 has changed and challenged the way people had been living and working. Life has been disrupted and we all have to live with the new normal of wearing masks and sanitising our vicinity and hands frequently. The only hope for humankind is the use of Vaccination which reduces the complications of COVID 19 in those affected with it.

Government of India has stepped up the vaccination process in the country. To be a part of this mission of the Government of India, POWERGRID has organised vaccination camps in many locations for its employees at its establishments across the country like Kota, Bhiwadi, Misa, Namsai, Rourkela, Ara, Biharsharif, Saharsa, and Muzaffarpur etc. For all the camps the cost on account of vaccination was borne by POWERGRID.

Among the camps organised at various locations, a vaccination camp was organised from 10th May to 17th May 2021 in Sector 46, Gurugram in its Multi-purpose Hall (MP Hall) in association with Max Hospital wherein 1638 individuals were vaccinated. These include employees, contractual employees and superannuated employees and their family members. Another vaccination camp was organised by POWERGRID at its MP Hall in Gurugram from 31st March to 6th May 2021 in association with Max Hospitals, Fortis and Artemis wherein 710 individuals were vaccinated.

A vaccination camp was also organised by POWERGRID at Katwaria Sarai office, Delhi in association with Apollo Hospitals where 294 people took the vaccine (this number includes 84 employees and their families from Ministry of Power and other Power PSUs).

A total of 2642 people have been vaccinated by POWERGRID in these three camps organised in NCR territory. These camps were organised for the age groups of 18-44 years and also for those above 45 years of age.

Vaccination is the only hope for fighting this pandemic and POWERGRID stands united with the Government of India's vision to complete the largest vaccination drive in the world.
